THIS IS NEBRASKA

Since the arrival of Head Coach Gary Pepin in 1981, Nebraska track and field has been one of the nation's premier programs. Under Pepin's guidance, the Huskers have increased their program totals to three national titles, 79 individual national champions, 632 All-Americans, 919 conference champions, 44 Big Eight team titles, 23 Big 12 team championships and five Big Ten team titles.

The Huskers' drive for success has not been limited to the oval. It has carried over to the classroom, where Nebraska track and field student-athletes have earned 57 CoSIDA Academic All-America honors.

Nebraska's seasoned staff features six full-time coaches with more than 200 years of college coaching experience. Stability is a key at Nebraska, as two of Pepin's assistants have been with the program for 20 or more years, including Billy Maxwell (22nd season) and Matt Martin (21st season).

In his 36 seasons, Head Coach Gary Pepin has coached at least one jumper to All-America honors every year except 1982. In 2016, the Husker jumpers combined for four first-team All-America honors.

Nick Percy became Nebraska's 79th NCAA champion after winning the discus title in 2016 with a throw of 201-0 (61.27m).

NATIONAL PROMINENCE

The Nebraska track and field team is a force every year at the NCAA Championships, including last year when the Huskers earned nine All-America honors. The women's team won back-to-back-to-back national titles from 1982 to 1984. Outdoors, the women's team has secured 21 top-25 finishes in the past 28 seasons, including top-10 finishes from 2002 to 2006. The men's team has been among the top 25 at 19 of the last 23 indoor championships, including a tie for fifth in 2009. Outdoors, the men have finished in the top 20 at 11 of the last 13 meets, including top-15 finishes in 2003, 2004, 2006, 2012, 2013, 2014 and 2016. Last year, the Husker men tied for 10th at the outdoor championships, their best finish since 2003.

Below: Kaiwan Culmer earned first-team All-America honors in the outdoor triple jump after finishing eighth. Culmer was also the Big Ten indoor champion in the triple jump.

CONFERENCE DOMINANCE

The Nebraska track and field program began in 1889 and has competed in five different conferences, beginning in 1908 with the Missouri Valley Conference. Nebraska moved to the Big Six Conference in 1929, which grew into the Big Seven in 1948, the Big Eight in 1958 and then transformed to the Big 12 Conference in 1996. NU moved to the Big Ten in 2012. Over the past 119 years of Nebraska track and field, the program has been the most dominant program in conference history. The men's and women's squads have combined to win 919 individual titles and 108 conference team championships. The Huskers were also the most dominant program in the Big 12 Conference, winning 23 of the 57 team titles, the most of any program in the league. The Huskers produced one of the most impressive feats across all conference sports from 1980 to 1995 when the women's team won both the indoor and outdoor league titles every year, an unmatched 16-year run. The men's team was just as tough at the Big 12 level, winning 15 team titles. The Husker men won their sixth outdoor title in 2010, when they became the first men's team in Big 12 history to repeat at the outdoor meet. Indoors, the men won six straight titles from 2000 to 2005 and added another in 2007. The Husker women claimed the program's first Big Ten title at the 2012 indoor meet. The men added an outdoor title in 2013 and the program's first Big Ten indoor title in 2015. The men were dominant in 2016, sweeping the indoor and outdoor team titles by a combined 93 points.

OLYMPIANS

The Nebraska track and field program annually produces athletes who go on to professional careers in track and field. At the most recent games in Rio de Janeiro, Brazil, Nebraska was represented by Marusa Cernjul in the high jump and Gyorgyi Farkas in the women's heptathlon, as well as Miles Ukaoma in the 400m hurdles.

Going back to the 1968 Games in Mexico City, the Huskers have had at least one current or former athlete win an Olympic medal in track and field at every Olympic Games except the 1972 (Munich), 1988 (Seoul), 2004 (Athens), 2012 (London) and 2016 (Rio de Janeiro) Games. The Huskers have also had a representative at every Olympic Games since the 1956 Games in Melbourne, Australia.

A two-time Olympian for Canada, Priscilla Lopes-Schliep won her first Olympic medal at the 2008 Games in Beijing with a bronze-medal performance in the 100m hurdles.

Following a stellar collegiate career where he won one national title and earned eight All-America honors, Dusty Jonas was a member of the 2008 U.S. Olympic team in Beijing.

The most decorated athlete in Nebraska track and field history, Merlene Ottey has competed in seven Olympic Games, while winning eight medals.

HUSKERS IN THE PROS

Not only do Nebraska track and field athletes go on to compete professionally following their collegiate careers, many current Huskers annually compete in their home countries or compete at international meets wearing the Huskers 'N' following the collegiate season.

IAAF DIAMOND LEAGUE

Priscilla Lopes-Schliep had arguably her best season as a professional in 2010, as she recorded the top time in the world in 2010 at 12.52 in the 100m hurdles during her victory in London, beating out LoLo Jones' 12.55 from earlier in the season in New York. Lopes-Schliep ended the year with eight victories, including wins in her final four races, and placed no lower than fourth all season at 14 meets. Lopes-Schliep also took the top spot in the Diamond League standing over Jones, which earned Lopes-Schliep the inaugural Diamond Race Trophy, a four-carat diamond worth $80,000.

TRACK & FIELD NEWS RANKINGS

Former Husker national champion and 2008 Olympic bronze medalist Priscilla Lopes-Schliep (above) was picked as the No. 1 women's 100m hurdler in the world on the Track and Field News World Rankings for the 2010 season.

Lopes-Schliep was one of four former Huskers listed on the top-10 world list, as three-time triple jump national champion Ineta Radevica (Latvia) (left) was fifth in the long jump, two-time outdoor national champion Becky Breisch (United States) was seventh in the discus, while eight-time All-American and 2008 indoor high jump national champion Dusty Jonas (United States) was ninth in the high jump.

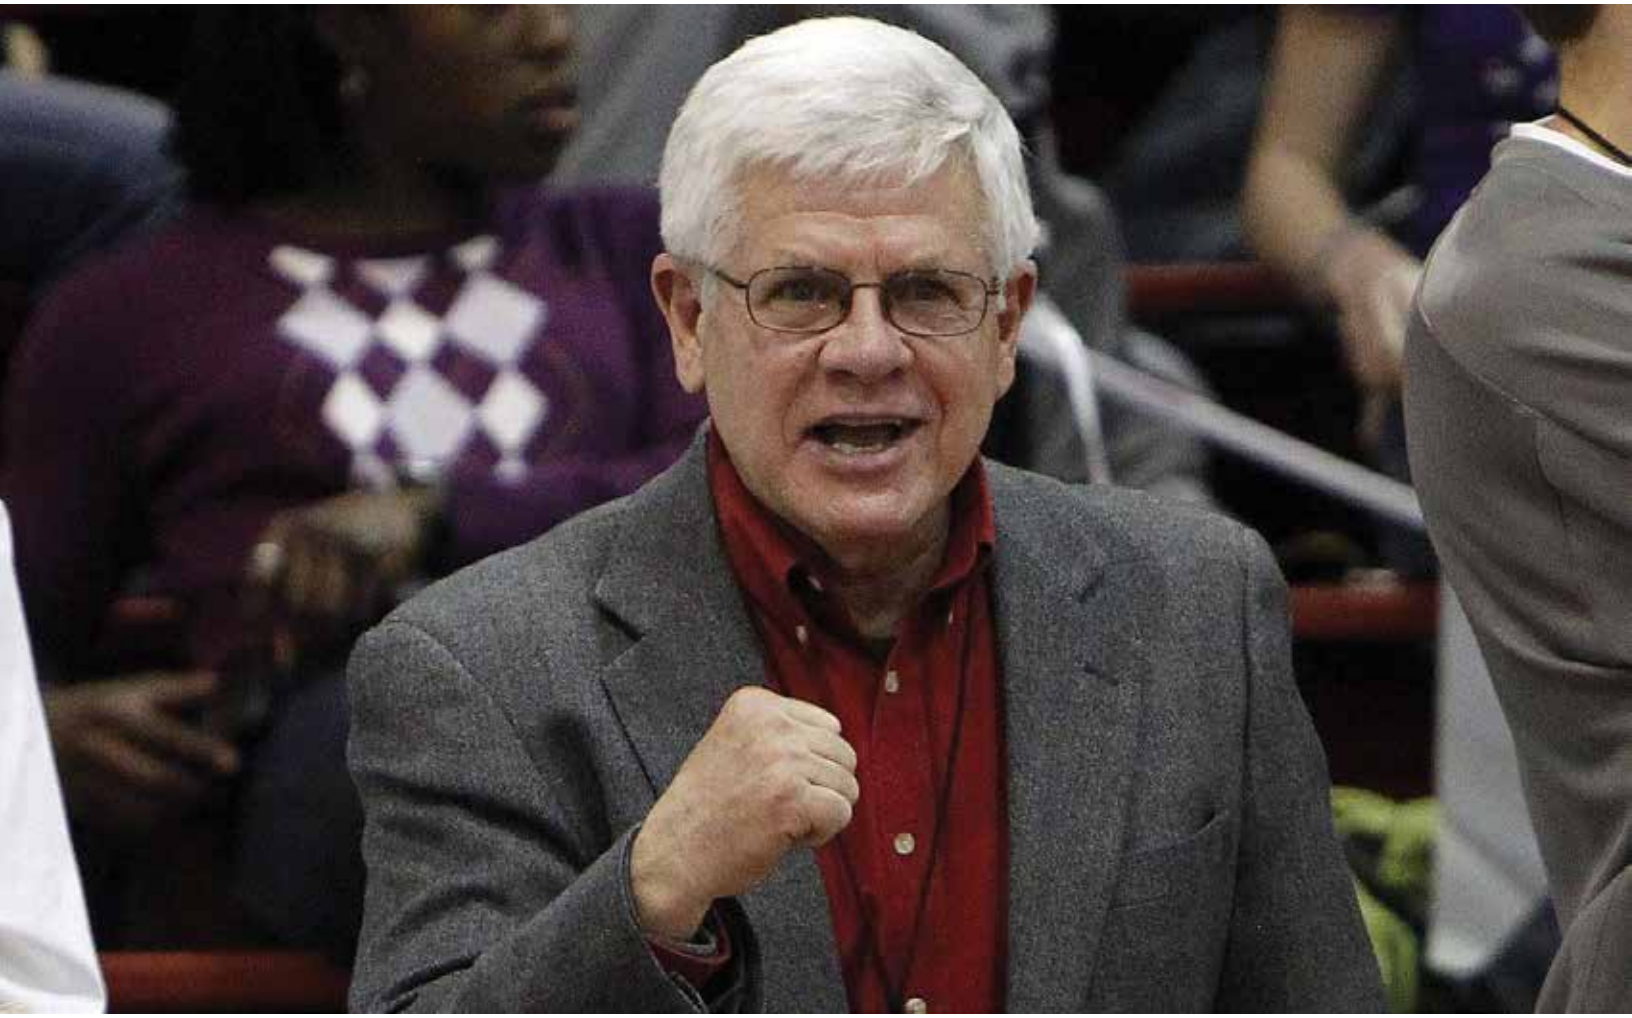
NACAC U-23 CHAMPIONSHIPS

- Guanajuato, Mexico

Former Husker Chris Phipps (left) was chosen to represent Team USA at the 2012 NACAC U23 Championships, which consisted of teams from 32 IAAF member nations in North America, Central America and the Caribbean Athletic Association.

A seven-time All-American and Big Ten Champion, Phipps continued his success in 2012 with a meet title. He finished first in the triple jump with a leap of 53-1 1/2 (16.19m). The mark tied his personal-best jump that he set at the Sun Angel Classic in Tempe, Arizona.

HEAD COACH GARY PEPIN



The all-time winningest track and field coach in the history of the Big 12 and the former Big Eight Conference, Nebraska Head Coach Gary Pepin enters his 37th season as the head coach of the Nebraska men's and women's track and field teams in 2017, making him the longest tenured active coach in Cornhusker athletics and Big Ten track and field head coach. Since 2000, Pepin's squads have combined to win five Big Ten team titles, 19 Big 12 team titles, 34 Big Ten event titles, 143 individual Big 12 titles, 21 individual NCAA titles and have finished in the top 10 at the NCAA Championships 13 times.

"The coaching staff, as well as the support system at Nebraska, are the sole reasons why I was able to accomplish the things that I did in my time at the university. My coaches helped push me to levels that I previously thought were unattainable, and I am thankful that they granted me the opportunity to compete for this team."

DEVANEY CENTER INDOOR TRACK

After the Bob Devaney Sports Center Indoor Track received a nearly $3 million facelift in 2000, the athletic department invested another $1.1 million prior to the start of the 2011 season to one of the world's fastest banked tracks.

Not only was the oval resurfaced, the Devaney's interior was repainted, new lights were installed and a 24x14-foot video board was hung in addition to the installment of new bleachers.

The Nebraska Track and Field Hall of Fame also received a facelift as part of Nebraska's RED Project, as new trophy cases, displays and televisions to show team highlights were implemented.

The Huskers run on one of the few hydraulic-banked tracks in the world. NU's 200m track has the largest legal radius (67 feet) of any indoor-banked track in the world. The banks and all the running surfaces rest on a sleeper system, which is made of both steel (banks) and wood (straightaways) frames.

The Devaney Center accommodates up to 5,000 spectators for all track and field events and received all new bleachers before the start of the 2012 season.

The venue is at the top of the class in the Big Ten Conference and across the nation, as it played host to the Big 12 Indoor Championships eight times in 14 years, including six straight championships from 2001 to 2006. The Big Ten Indoor Championships came to the Devaney Center in 2012, the Huskers' first season as a member of the Big Ten.

Nebraska's indoor throws ring allows Husker athletes to train during any season in climate-controlled conditions.

ED WEIR STADIUM

Nestled between Memorial Stadium, the Hawks Championship Center and the NU Coliseum, the Huskers' outdoor track is in the heart of Nebraska's athletic complex. Ed Weir Stadium provides a beautiful setting for home meets with permanent seating for 3,500 spectators.

Nebraska's recent additions of the Hawks Championship Center in 2005 and the Osborne Athletic Complex in 2006 have provided the track and field team with a second indoor warm-up center, new media facility and additional restrooms and concessions areas. The track underwent a $2.33 million renovation in 2012 where the entire track base and Mondo surface were replaced.

During its 37-year existence, Ed Weir Stadium has hosted eight National Junior Olympics, a USA-USSR Junior Dual Meet, six Big Eight Championships, one Big 12 Outdoor Championships, one Big Ten Outdoor Championships and two NCAA Midwest Regional Championships. The Huskers played host to the first NCAA Midwest Regional in 2003 and were the hosts again in 2008. The venue also hosted the Special Olympics for the first time in 2010 when the USA National Games were in Lincoln.

Husker athletes run on a Mondo synthetic rubber surface, the same surface utilized by many of the world's other top competitive sites, including Olympic Stadium in Athens, Greece, the site of the 2004 Summer Olympics and the Bird's Nest in Beijing, China, the home of the 2008 Summer Olympics.

CHAMPIONSHIP FACILITIES

From training facilities to competition venues, Nebraska's athletic facilities are second-to-none across the collegiate landscape. From Memorial Stadium to Pinnacle Bank Arena and the Bob Devaney Sports Center, Husker student-athletes have the benefits of training and competing in some of the nation's finest facilities. Fans around the country follow the Huskers with amazing passion across all sports. In 2015-16, Nebraska finished second in the nation in attendance across its seven primary team sports, attracting more than 1.3 million fans to its home stadiums and arenas. Overall, 10 of Nebraska's sports ranked among the top-15 nationally in attendance in 2015-16.

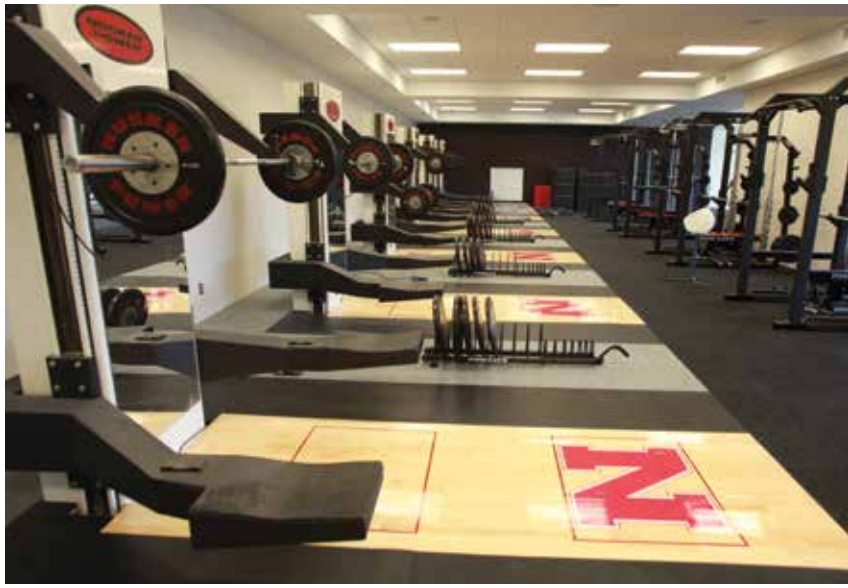
HUSKER POWER

The model strength and conditioning program in the nation, Husker Power plays a major role in the continuing success of Nebraska athletics. Nebraska's strength program was the first in the nation. With 14 staff members it is one of the most comprehensive strength and conditioning organizations in the nation.

Nebraska's strength training facilities have set the standard in collegiate strength training since the early 1970s. Not only does it feature the Charles and Romona Myers Performance Center in the Osborne Athletic Complex, it also features a weight room utilized by the track and field team in the Hendricks Training Complex.



THREE REASONS FOR SUCCESS

Program - The Husker Power Strength and Conditioning Program is geared for maximum improvement of performance on the court. Athletes receives their own individual computerized program each year.

Supervision - The Husker Power staff has 14 full-time strength and conditioning specialists. Track and Field Strength Coach Brian Kmitta works directly with the track and field program to help Husker athletes prepare for a successful athletic career.

Facilities - The Charles and Romona Myers Performance Center in the Osborne Athletic Complex and the Hendricks Training Complex are the finest all-around athletic facilities in the nation, giving athletes the resources to achieve at the highest level.

"The University of Nebraska strength and development program is the model for others in the country."

ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber, the 2016-17 Nebraska athletic medicine staff consists of five doctors, 14 full-time athletic trainers, seven graduate assistant athletic trainers, two full-time in-house athletic psychologists and sports psychiatry consultants who work directly with student-athletes.

Nebraska's medical facilities have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, Haymarket Park, the Bob Devaney Sports Center, Pinnacle Bank Arena and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Nebraska's on-site medical services for student-athletes rank among the nation's best. Dr. Lonnie Albers, Head Athletic Trainer Jerry Weber (pictured) and the Athletic Medicine staff have their own X-ray equipment at Memorial Stadium.

ACADEMIC SUCCESS

Nebraska increased its nation-leading total of CoSIDA Academic All-America awards to 325, adding five Huskers in 2015-16. Senior guard Shavon Shields (Olathe, Kan., Biological Sciences) earned his second consecutive first-team Academic All-America award in men's basketball before being named Nebraska's Male Student-Athlete of the Year. Shields (pictured below with Director of Athletics Shawn Eichorst) was also a member of the Allstate NABC Good Works Team for his outstanding community service. He was joined by Nebraska Female Student-Athlete-of-the-Year Mattie Fowler as a first-team Academic All-American in 2015-16. Fowler was the President of the Nebraska Student-Athlete Advisory Board in 2014-15. She and Shields were Nebraska's Big Ten Medal of Honor winners in 2015-16.

The Nebraska men's track and field team continued its extraordinary run of CoSIDA Academic All-America success with three-time first-team honoree Levi Gipson (Lincoln, Neb., Nutrition, Exercise and Health Science) and fellow first-team award winner Cody Rush (Grand Island, Neb., Nutrition Science). Rush, who earned second-team CoSIDA Academic All-America accolades in 2014, joined baseball outfielder Ryan Boldt (Red Wing, Minn., Nutrition Science) as a two-time honoree. Boldt also earned third-team recognition in 2015.

Graduation is the ultimate achievement, and 109 Husker student-athletes earned undergraduate and graduate degrees in three commencement exercises at Pinnacle Bank Arena in 2015-16.

"We have really special people who take great pride and put a lot of emphasis in academic excellence and graduation. We recruit young men and women who have good character and a strong work ethic, and Dennis Leblanc and his academic team do a great job keeping them focused on the right accomplishments."

Gary Pepin, Nebraska Head Coach
2008 USTFCCCA Hall of Fame Inductee

Former track and field student-athletes Paula Andrie and Ricco Hall received their diplomas at commencement exercises in Pinnacle Bank Arena last May.

HONORING ACHIEVEMENT

Eight Huskers earned Outstanding Scholar Awards in 2015-16. The seniors with 3.900 GPAs or better were Melanie Blum (Track and Field), Michaela Cunningham (Swimming and Diving), Levi Gipson (Track and Field), Lane Hovey (Football), Ryan Irick (Men's Gymnastics), Katie Kraeutner (Soccer, pictured above), Ethan Lottman (Men's Gymnastics) and Cody Rush (Track and Field).

In 2015-16, 109 Huskers earned their college degrees including senior track and field standout Levi Gipson. Gipson became just the second three-time first-team CoSIDA Academic All-American across all sports at Nebraska, while adding prestigious NCAA and Big Ten Postgraduate scholarships worth a total of $15,000. Gipson was also a seven-time All-American.

Nebraska student-athletes regularly earn prestigious postgraduate scholarships from the Big Ten and NCAA. That tradition continued in 2015-16, as two-time CoSIDA Academic All-American Cody Rush earned a $10,000 Wayne Duke Postgraduate Scholarship from the Big Ten before claiming an NCAA Postgraduate Scholarship worth $7,500. Rush was also an 11-time All-American.

Junior outfielder Ryan Boldt earned his second CoSIDA Academic All-America award in 2016, after helping the Nebraska baseball team to the NCAA Tournament. Boldt, who was a member of the Golden Spikes Award Midseason Watch List, was a second-round pick of the Tampa Bay Rays in the 2016 Major League Baseball Draft.

The athletic academic unit, located in the Dick and Peg Herman Family Student Life Complex, provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is composed of 14 full-time staff members and is certified by the National Association of Academic Advisors for Athletics (N4A) as meeting the standards established by the N4A.

ACADEMIC COUNSELING
Seven academic counselors, three learning specialists and two assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation.

TUTORIAL SUPPORT
A tremendous resource for all academic abilities, unlimited tutorial support from approximately 120 tutors on staff is available from day one up to college graduation in all subject areas. The tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

STUDY HALL
Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING
Academic support staff serve as mentors to all incoming student-athletes and a select group of returning student-athletes. Student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information, and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS
Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION
Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING
Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES
The Herman Student Life Complex has two computer labs available for student-athletes. The Scott Technology Center features two tech tables for use on group computer projects and group study sessions. Additionally, each student-athlete is provided a laptop for use throughout their academic career at Nebraska.

The all-time winningest track and field coach in the history of the Big 12 and the former Big Eight Conference, Nebraska Head Coach Gary Pepin will enter his 37th season as the head coach of the Nebraska men's and women's track and field teams in 2017, making him the longest tenured active coach in Cornhusker athletics and among Big Ten track and field programs.

Pepin is a USTFCCCA Hall of Fame member and has led the Husker programs to a combined three national team titles, 72 conference team titles, 59 individual national champions and 557 individual conference champions. Additionally, 513 first-team All-America honors have been achieved under Pepin, and 57 CoSIDA Academic All-America honors have been earned under Pepin's guidance, which dates back to 1981 for the women's program and 1984 for the men's team.

Since Nebraska joined the Big Ten Conference in 2011-12, Pepin's teams have won five Big Ten championships, including a men's sweep of the indoor and outdoor titles in 2016. Individually, Huskers have captured 44 Big Ten event titles, including nine in 2016.

Pepin has been honored as the USTFCCCA Midwest Region Coach of the Year 10 times in his career, including the men's outdoor honor in 2016. He is a 27-time conference coach of the year, including five awards in the Big Ten era. He was the Big Ten men's indoor and outdoor coach of the year in 2016. Pepin was also honored as the 1995 USTCA National Indoor Track Coach of the Year, and earned NCAA District 5 Women's Coach of the Year in 1995 and 1996.

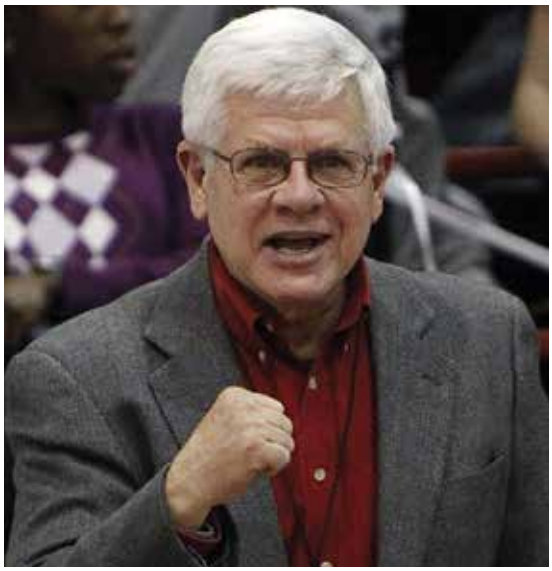
Overall, Pepin's teams have dominated the indoor conference championships through the years, winning 24 of the last 37 women's titles, while the Husker men have won 19 of the last 32 meets, including back-to-back titles in 2015 and 2016. Nebraska has also fared well at the outdoor conference championships, winning 18 of the last 37 outdoor conference meets on the women's side and 10 of the last 22 men's titles, including in 2016 when the men finished off the indoor-outdoor Big Ten sweep.

Only the fourth coach to guide the NU men's program since World War I, Pepin has maintained the program's stability after replacing the late Frank Sevigne in 1984. Pepin's men's program has matched the women's success, capturing 19 indoor and 13 outdoor conference titles during his 36-year tenure.

The Pepin-coached Husker women won the 1982, 1983 and 1984 indoor national championships. Pepin's teams have combined for 23 top-five NCAA finishes over the last 36 years, and 59 Huskers have been crowned national champions, including Nick Percy in the discus in 2016.

Pepin guided Nebraska to an incredible 44 Big Eight indoor/outdoor titles, more than any other coach in the history of the conference. After joining the Big 12 Conference in 1997, Nebraska won a league-high 22 indoor/outdoor titles. Pepin has coached women who have earned 320 All-America awards and 18 indoor and 24 outdoor individual national championships. His male athletes have garnered 193 All-America certificates since 1984, as well as nine indoor and eight outdoor individual national titles.

Among the elite athletes Pepin has coached at Nebraska are eight-time Olympic medalist, world champion and world-record holder Merlene Ottey; four-time NCAA champion Rhonda Blanford; Angela Thacker, who missed a bronze medal in the long jump by one-quarter inch at the 1984 Olympics in Los Angeles; 1989 NCAA outdoor triple jump champion Renita Robinson; 1991 NCAA outdoor 400m dash champion and Olympic bronze medalist Ximena Restrepo; three-time NCAA triple jump champion Ineta Radevica; two-time NCAA long jump champion Arturs Abolins; indoor high jump national champion, school indoor and outdoor record holder and 2008 Olympian, Dusty Jonas; 2009 indoor national champion and Big 12 indoor and outdoor long jump champion Nicholas Gordon, who also represented Jamaica at the 2009 IAAF World Championships in Berlin, Germany; nine-time conference champion Mara Griva and Big Ten champion and 2016 Olympic high jumper Marusa Cernjul.



Gary Pepin was named the 2016 Big Ten Indoor and Outdoor Men's Coach of the Year.

Known as one of the premier jumps coaches in the nation, Pepin coached former Husker Angee Henry, a 10-time All-American, to indoor and outdoor NCAA long jump titles in 1996. Under Pepin's tutelage, former Husker Nicola Martial won the 1994 and 1995 NCAA outdoor triple jump titles and added the 1996 NCAA indoor triple jump crown. At the 1996 Olympic Games, Martial represented Guyana in the triple jump. Pepin's top male performer prior to Abolins and Jonas was four-time All-American Petar Malesev, the 1995 NCAA indoor high jump champion.

Notable Recent Seasons

2016: The Nebraska men completed its first indoor-outdoor conference title sweep since 2004 by winning both Big Ten Championships, successfully defending their indoor title in the process. Pepin was the Big Ten Men's Indoor and Outdoor Coach of the Year, as well as the Midwest Region Men's Outdoor Coach of the Year. The Huskers captured nine Big Ten event titles and seven All-America honors. Of the nine Big Ten champions, seven went to the Pepin-led jumpers, including Tierra Williams, who swept the Big Ten indoor and outdoor long jump and triple jump to become the first Big Ten female athlete to win all four horizontal jump titles since former Husker Mara Griva under Pepin in 2013. On the men's side, Nick Percy won the discus national title to become the 59th national champion in the Pepin era. The Husker men tied for 10th at the NCAA Outdoor Championships, their best finish since 2003.

2015: The Husker men ran away with the Big Ten Indoor title with 127 points, 41 more than runner-up Illinois. The Pepin-led jumpers combined for 42 of the 127 points, as Pepin picked up his first Big Ten Men's Indoor Coach of the Year award. He also added Midwest Region Men's Indoor Coach of the Year, as the Huskers tied for 13th at the NCAA Indoor Championships, their best indoor finish since 2009. Both the Husker men and women were runners-up at the Big Ten Outdoor Championships. Nebraska produced five first-team All-Americans and five Big Ten champions.

2013: The Husker men made history as Pepin guided NU to a dominating win at the Big Ten Outdoor Championships. The Huskers recorded 10 conference titles, eight first-team All-America honors and 10 second-team All-America accolades. Pepin was honored by his peers following the outdoor conference championships as he was named the Big Ten Men's Outdoor Coach of the Year for guiding NU to its first men's title in the Big Ten. Pepin coached Mara Griva to a sweep of the horizontal jumps at both the indoor and outdoor conference championships, while Patrick Raedler won the indoor long jump and Janis Leitis captured the indoor triple jump title. Pepin led the men to a 15th-place finish in the team standings, and was honored by his peers nationally as the Midwest Region Men's Outdoor Coach of the Year.

2012: Pepin guided the Husker women to the Big Ten Indoor Conference team title. The Huskers recorded 11 conference titles and 11 first-team All-America honors. Pepin was honored as the Big Ten Indoor Women's Coach of the Year for guiding NU to it's first conference team title as a member of the Big Ten Conference. Pepin personally coached four athletes to Big Ten titles in the jumps, including Anna Weigandt with an outdoor triple jump title, Marusa Cernjul with an outdoor high jump title, Griva in the indoor triple jump and Chris Phipps with an indoor long jump crown.

2011: Pepin coached three athletes to All-America honors and four individual Big 12 titles in the jumps. Overall, the Huskers notched 10 All-America accolades and 10 individual Big 12 titles, while Pepin's women's squad earned the indoor conference title, upsetting four-time defending champion Texas A&M. Pepin was honored as the Big 12 Indoor Women's Coach of the Year and the Midwest Regional Indoor Coach of the Year for the second straight season.

2010: Pepin continued to show that he is one of the top coaches in the country, as he personally coached seven athletes to nine All-America honors and four individual Big 12 titles in the jumps. The Huskers totaled 15 All-America awards and seven individual Big 12 titles, while Pepin's men repeated as team champions at the conference outdoor meet. For the team's success, Pepin was named Midwest Regional Indoor Women's Coach of the Year, Midwest Regional Outdoor Men's Coach of the Year and was honored as Big 12 Men's Outdoor Coach of the Year for the second straight season. The men's team title earned the Huskers their 22nd Big 12 title - the most for any program in the conference - and it marked the first time in conference history that a men's program had repeated at the outdoor meet.

2009: Pepin passed Frank Sevigne as the longest-tenured head coach in the history of the Nebraska program. The historic milestones continued as the men's team captured the Big 12 outdoor team title, marking the program's 100th conference title. The Husker men also showed they were a force at the national level, placing in the top 20 at both the indoor and outdoor championships. Nicholas Gordon led the way for the men's team at the NCAA Indoor Championships with a national title in the long jump, as the team tied for fifth, marking the Huskers' highest finish since 2005. At the end of the season Pepin was named Big 12 Men's Outdoor Coach of the Year and the USTFCCCA Midwest Region Men's Outdoor Coach of the Year.

2008: Of the seven NCAA All-America honors brought home by Huskers in 2008, three athletes were personally trained by Pepin in the jumps, including Dusty Jonas, an eight-time All-American, national champion in the high jump at the 2008 NCAA Indoor Championships and a member of Team USA at the 2008 Beijing Games. Overall, Pepin sent seven jumpers to the NCAA Championships.

2006: Arturs Abolins, under the tutelage of Pepin, became the first NCAA long jump champion from Nebraska, a feat Abolins accomplished at both the NCAA Indoor and Outdoor Championships. Abolins also became the first Pepin-coached men's jumper to sweep an event at both NCAA meets in a single season.

2005: Pepin's program experienced a banner year in 2005 that rivaled the success of any other in the nation. The Nebraska women swept the Big 12 Indoor and Outdoor Championships for the second time, after also achieving the feat in 2000. The women added a pair of top-10 NCAA finishes. The Husker men, who claimed their eighth Big 12 indoor title in nine years, also raced to a pair of top-20 team showings at the NCAA Championships. Individually, Nebraska athletes brought home four NCAA event titles for the third straight year, including titles by Anne Shadle in the mile and 1,500 meters. Equally impressive were the 18 All-America honors collected by NU athletes, including five runner-up finishes. Pepin's jumpers combined for five of those awards, including a silver-medal performance by Jonas, then a freshman, in the high jump at the NCAA indoor meet. Jonas later claimed the U.S. Junior and Pan American Games titles following the outdoor season. Nebraska's 2005 season capped a remarkable three-year run that saw the program earn five top-five NCAA team finishes and 13 individual national titles.

2000: At the turn of the century, both Husker teams swept the indoor and outdoor titles, which gave Nebraska its fourth sweep through the conference championships. Although the Huskers fell short of being the first team in league history to sweep the men's and women's indoor and outdoor titles in back-to-back seasons (2000 and 2001), NU came closer to accomplishing the feat than any other school by claiming two of the four titles in 2001.

Before Nebraska
Before coaching at Nebraska, Pepin served as the women's head coach at Kansas in 1976. Pepin also spent nine seasons at Kansas as an assistant to Bob Timmons. During his stint with the Jayhawks, Pepin's jumpers established Big Eight bests in every event and earned numerous Big Eight medals, All-America honors and Olympian status. With Pepin's guidance, Kansas became the first school in the country to have three men jump over 7-2 in the high jump in the same season. Before joining the Jayhawk program, he coached in the prep ranks in Missouri, and watched his teams capture several conference titles.

Personal
A native of Pittsburg, Kan., Pepin graduated from Pittsburg High School and Pittsburg State University. He received his master's degree from Kansas in 1974. He is married to the former Jean Ann Frank of Pittsburg, and they have three daughters, Heidi, Lisa and Michelle, and five grandchildren, Carter, Blue, Landon, Millie and Scout.

Along with his success at the NCAA Championships, Maxwell has been a part of 93 conference championship teams.

Under Maxwell's guidance, Oladapo Akinmoladun achieved first-team All-America honors in the 60m hurdles for the second straight year, and the 4x400m relay team of Levi Gipson, Tanner Townsend, Sam Bransby and Cody Rush won the Big Ten outdoor title and claimed first-team All-America honors with a third-place finish.

In 2015, Akinmoladun won a repeat Big Ten Indoor title in the 60m hurdles while earning first-team All-America honors. Maxwell's 4x400m relay team (Jake Bender, Gipson, Cody Rush, Drew Wiseman) earned runner-up honors at the NCAA Indoor Championships for the second straight year, running an indoor school-record 3:04.83.

Maxwell logged an incredible list of accomplishments in 2014, personally coaching one national champion, three first-team All-Americans and four Big Ten champions. Under Maxwell's training, Miles Ukaoma capped his career with a 400m hurdles national championship and Big Ten championship. Ukaoma went on to represent Nigeria in the 400m hurdles at the 2016 Olympics in Rio de Janeiro, Brazil. Maxwell also coached the men's 4x400 relay team to a runner-up finish at the NCAA Indoor Championships and sixth-place finish at the NCAA Outdoor Championships. The outdoor relay team won the Big Ten title. Indoors, Akinmoladun (60m hurdles) and Gipson (600 meters) took home Big Ten titles under the guidance of Maxwell.

In 2013, Maxwell coached Ukaoma to first-team All-America honors in the 400m hurdles at the NCAA Outdoor Championships. The men's 4x400m relay team earned All-America honors at the NCAA Indoor Championships. Maxwell led the Huskers to two Big Ten titles in 2013, as Nebraska took home the indoor 4x400m crown and the outdoor 4x400m crown.

Under Maxwell's guidance in 2012, Ukaoma progressed as one of the top competitors in the men's 400m hurdles. He produced catapulting performances as a sophomore, earning the 2012 Big Ten 400m hurdles title with a personal-best time. Ukaoma went on to compete at the 2012 NCAA Outdoor Championships in Des Moines, where he earned second-team All-America accolades.

Maxwell guided NU's sprint and hurdle squads to prominence once again in 2011. He saw four athletes earn All-Big 12 honors in the 60m hurdles at the indoor conference championship. His athletes combined for four top-eight finishes in the 400 hurdles at the 2011 Big 12 Outdoor Championships, while senior Adam Dailey improved his 2008 time of 50.33 with a time of 50.11 to take fourth.

In 2010, Lehann Fourie rewrote the Nebraska record books under the tutelage of Maxwell. During the indoor season, Fourie broke David Davis Jr.'s 2003 record of 7.70 in the 60m hurdles with a time of 7.67 at the NCAA Indoor Championships on his way to earning All-America honors. During the Big 12 Outdoor Championships in Columbia, Mo., Fourie broke Willie Hibler (1997) and Kirkland Thornton's (2009) 110m hurdle record of 13.50 with a time of 13.44. Fourie finished the year with All-America honors in the 110 hurdles as well.

The 2009 season was one of Maxwell's best in recent memory, as his athletes earned three All-America awards, broke one school record, tied a school record, won a Big 12 title and earned five bids to the NCAA Championships. Maxwell had an unheard of seven hurdlers regionally qualify in the 400m hurdles, while another four qualified in the 110 hurdles, including Thornton, who swept the events at regionals. Following the collegiate season, Fourie represented South Africa at the World University Games in Belgrade, Serbia, where he took silver with a then-personal-best time of 13.56 in the 110m hurdles.

For his success in 2009, Maxwell was honored as the Midwest Region Men's Sprints/Hurdles Assistant Coach of the Year for the second time in his career, after also receiving the honor in 2005.

One of Maxwell's latest success stories has been Thornton, who transferred to Nebraska from Eastern Illinois prior to the 2008 season and redshirted to take in a year of training under Maxwell prior to competing as a senior. Entering 2009, Thornton had personal bests of 7.83 and 14.27 in the 60- and 110m hurdles, respectively. By the end of the season, Thornton had dropped his times to 7.75 and 13.50, tying the school record in the 110 hurdles. Thornton earned All-America honors in the indoor 60m hurdles, and also in the 110m and 400m hurdles outdoors, becoming the first Husker in school history to be named an All-American in both outdoor hurdles at the same meet.

Since 2004, Maxwell's athletes have combined to earn 24 All-America awards. Three were crowned NCAA champions and 13 school records were broken or tied. Four of his former Husker athletes competed in the 2004 Olympic Games in Athens, Greece, with two more competing at the 2008 Games in Beijing, China. Former Husker hurdling sensation Priscilla Lopes-Schliep won the bronze in the 100m hurdles in Beijing for her home country of Canada. It was the first Canadian medal in track since Donovan Bailey in 1996. In 2009, Lopes-Schliep earned the silver at the IAAF World Championships in Berlin, Germany.

Dmitrijs Milkevics became the first NU men's athlete to win an outdoor national championship in a running event since 1967, winning the 2005 NCAA title in the 800 meters. Milkevics also broke the collegiate record in the indoor 600 meters at the Frank Sevigne Husker Invitational.

Lopes-Schliep capped a remarkable 2004 indoor season with her first national title in the 60m hurdles. Lopes-Schliep claimed eight All-America honors in her three seasons training under Maxwell, while Milkevics totaled three. Both athletes concluded their careers in 2005 among NU's all-time greats, combining for seven school records and seven individual Big 12 championships.

Maxwell also guided former Husker Mark Harrison to his first Big 12 title in his final opportunity in the 400m hurdles during his senior season in 2006, while Nenad Loncar claimed his first Big 12 title in the 60m hurdles during the 2005 indoor season.

During the summer of 2004, Lopes-Schliep, Milkevics and Loncar each represented their countries in the Olympics. Milkevics highlighted the competition with his semifinal appearance in the 800 meters, while former Husker Egle Uljas also competed at the Games. Lopes, Milkevics and Uljas also competed at the World Championships in Helsinki, Finland, in 2005.

In 2003, Maxwell coached David Davis Jr. to a conference title in the 60m hurdles with an indoor Big 12 meet-record time of 7.70. Davis also captured All-America honors in the 110m hurdles at the NCAA Outdoor Championships with his seventh-place finish. Maxwell helped develop Loncar's talent in the hurdles, as Loncar took fourth place at the Big 12 indoor meet and won silver at the conference outdoor championships. Loncar also won silver in the high hurdles at the NCAA Midwest Regional and earned an automatic bid to the NCAA Outdoor Championships, where he made it to the semifinals before being eliminated.

Maxwell coached the Husker men's 4x400m relay team at the conference indoor championships that finished third and gave Nebraska a half-point win over Texas to retain the indoor conference crown in 2003. He also saw Danny Hill and Andy Nelson take third and seventh-place finishes, respectively, in the 400m hurdles at the Big 12 Outdoor Championships the same season.

Maxwell came to the Husker staff after successful stints at several of the nation's premier track and field programs. In his career, Maxwell has coached 49 athletes who have eclipsed the 14.0 mark in the 110m hurdles and 11 athletes who have broken 50 seconds in the 400m hurdles.

Before joining the Huskers in 1996, Maxwell spent four seasons coaching the sprinters, hurdlers and horizontal jumpers and helped revamp the University of Texas sprint corps. Fourteen of his Longhorn athletes earned NCAA All-America status.

Prior to coaching at Texas, he was the head coach of the men's and women's programs at LSU from 1982 to 1987. Maxwell transformed the Tigers from a perennial SEC also-ran into one of the nation's elite programs. At LSU, he developed 26 NCAA champions and 189 All-Americans, while leading the women's team to a national championship at the 1987 NCAA Outdoor Championships and a runner-up finish in 1985. He also guided the men's team to a fifth-place finish at the 1987 outdoor NCAAs. LSU's men's and women's teams finished first in combined NCAA scoring in 1986 and 1987.

Maxwell took over the top job at LSU after a successful stint as an assistant coach at Tennessee (1970-82) under the legendary Stan Huntsman. Working with the Volunteer sprinters, jumpers and hurdlers, Maxwell coached more than 100 NCAA All-Americans, 19 NCAA champions and Olympic Gold Medalist Willie Gault. While at Tennessee, Maxwell also coached two world-record relay teams, including the men's 4x200m relay team that set a record time of 1:21.30 in 1976, and the men's 4x110m shuttle hurdle relay team that clocked a record time of 54.40 in 1981.

A native of Cairo, Ga., Maxwell received his bachelor's degree from Florida State and began his coaching career at Columbia (Ga.) High School. He was named Georgia Coach of the Year in 1967, leading Columbia to two state titles in four seasons before moving to the collegiate ranks. Maxwell is married to the former Kay Shoemake. He is the father of two sons, Emory and Billy.

Matt Martin is entering his 21st season as the Huskers' recruiting coordinator in 2017, and is also in his 13th season assisting with the Husker women's sprinters, hurdlers and relay teams.

One of the premier recruiters in the country, Martin's Nebraska recruiting classes have combined to win five Big Ten Conference team titles and 24 Big 12 Conference team titles, as well as 217 individual titles. The Huskers have also been a powerhouse at the national meet, as they have produced 29 national champions, 257 All-Americans and seven top-five team finishes behind Martin's recruiting efforts.

Martin's work ethic to bring in top-notch talent has not gone unnoticed on the national scene, as the Huskers' 2000 and 2006 men's and women's recruiting classes were ranked in the nation's top 10 by Track and Field News. The 2008 class was ranked No. 10, and most recently the 2014 women's recruiting class was also ranked No. 10.

Since Martin started recruiting for the Huskers in 1997, he has been instrumental in personally bringing in athletes who have earned 16 All-America honors and 16 individual conference titles. In total, Martin has been the lead recruiter or played a key role in bringing in 22 student-athletes who have combined for 67 All-America honors, in addition to many others who competed at a championship-caliber level at conference meets.

One of Martin's noteworthy recruits - Nicholas Gordon of Kingston, Jamaica - picked the Huskers over Florida State and Arkansas. In his career, Gordon won a national title, earned three first-team All-America honors, won two Big 12 titles and made a trip to the IAAF World Championships. Gordon was also honored as the 2010-11 Nebraska Male Student-Athlete of the Year. Martin also played a critical role in recruiting Chad Wright (six-time All-American and 2012 NCAA discus champion) and recently all-conference runners as freshmen Mara Weekes and Ellie Grooters in 2011. Martin also helped attract 10-time All-American Mara Griva, six-time All-American Carl Myerscough and four-time All-Americans Levi Gipson and Melissa Price to NU.

Although Martin has proven to have one of the best eyes for talent in the nation, he has also been impressive as an individual coach once student-athletes arrive on campus. Martin's NU sprinters, hurdlers and relays have combined for 16 All-America honors, 12 individual conference championships and one NCAA title, placing NU athletes among college track and field's elite during that time.

Martin's sprinters and relay teams combined for three runner-up finishes at the Big Ten Indoor Championships in 2014 and one third-place finish. Chantal Duncan placed second in the 400 meters, and Grooters took third in the 600 meters. The 4x400 relay team (Duncan, Grooters, Shawnice Williams, Weekes) took second to garner second-team All-Big Ten honors as well.

As an assistant with the Husker sprints, hurdles and relays in 2012, Martin helped coach the men's 4x100m relay team to a berth at the NCAA Outdoor Championships. In addition, his efforts guided the women's indoor distance medley relay team to a seventh-place finish at the NCAA Indoor Championships.

Bellevue, Nebraska native Lukas Hulett excelled under Martin, earning All-America honors indoors and outdoors in the 400 meters as a sophomore in 2008. As a freshman in 2007, Hulett earned indoor All-America honors in the 400 meters and was a member of the All-America indoor 4x400m relay team along with fellow freshmen Scott Wims and Dan Christensen and senior Nate Probasco. Hulett then carried his success to the outdoor season, qualifying for the NCAA Outdoor Championships in the 400 meters.

In 2007, Wims went on to post a seventh-place finish in the 200 meters at the outdoor championships for his second All-America finish. He and Hulett were two of five Martin-coached Huskers to qualify for the 2007 NCAA Championships.

Under Martin's supervision, Wims went on to win the 200m crown at both the U.S. Junior Championships and the Pan Am Junior Championships, while also finishing third in the 100 at both competitions. Additionally, NU freshman Dax Danns competed for his native Guyana at the Pan Am meet, finishing third in the 200.

The top hurdler in NU women's history, Priscilla Lopes-Schliep concluded her outstanding career in 2006 under Martin's watch. An eight-time All-American and five-time Big 12 champion, Lopes-Schliep was the national runner-up in both indoor and outdoor high hurdle events for the fourth and fifth consecutive national competitions during her final season as a Husker. She served the role as NU's high-point scorer at both conference meets.

Lopes-Schliep led the way for the Husker women's team in 2005 with two more silver-medal finishes in the 60- and 100m hurdles at the NCAA Championships just one season after claiming her first national title in the 60m hurdles as a freshman.

Martin also tutored former Husker and 2004 Olympian Nenad Loncar, who won a conference title in the 60m hurdles as a senior in 2005.

NU's sprint and hurdle relays have also benefitted from Martin's presence. The 4x100m relay team of Arturs Abolins, Oliver Williams Jr., Nate Probasco and Dusty Stamer won the Big 12 outdoor title for the second straight year in 2005, the first time in Nebraska history that the men had won the event in consecutive seasons. In 2007, NU's 4x400m relay team of Wims, Christensen, Probasco and Hulett finished third at the Big 12 indoor meet and went on to qualify for the national outdoor competition.

While Martin's athletes have excelled on the collegiate level, they have also participated on the world stage. His latest success was Lopes-Schliep, who earned the bronze medal for Canada in the 100m hurdles at the 2008 Olympic Games in Beijing, China. The medal was the first medal for Canada in track and field since Donovan Bailey in 1996. Lopes-Schliep then continued her success in 2009 as the took silver at the IAAF World Championships in Berlin, Germany.

Lopes and Loncar each represented their home nations in the 2004 Olympics in Athens, Greece, while Lopes-Schliep followed with a berth in the 2005 World Championships in Helsinki, Finland. She reached the semifinals of the 100m hurdles at the competition.

In 2004, the North Platte, Nebraska native coached Lopes-Schliep to her first national championship in the indoor 60m hurdles, as well as two other All-America honors in the 60m dash and outdoor 100m hurdles. His 4x100m relay team of Shelldon Simpson, Oliver Williams Jr., Probasco and Stamer also earned All-America status by placing eighth at the NCAA outdoor meet.

A former sprinter/jumper for the Huskers from 1990 to 1993, Martin was an undergraduate coach for Nebraska in 1994 and was a graduate administrative assistant for Nebraska in 1995 and 1996. As an undergraduate coach, Martin helped Gary Pepin coach Nicola Martial to an NCAA outdoor title and a runner-up finish at the 1994 NCAA Indoor Championships. During that same time, he also helped coach Angee Henry to All-America honors as a freshman and a U.S. Junior National championship in the long jump.

Martin, who graduated from Nebraska with a degree in business administration in May 1994, completed his master's degree in athletic administration in August 1999. His father, Doug Martin, was the former head track and field coach at North Platte High School for 23 years, and was on the Husker staff as a volunteer coach.

Martin is married to the former Michelle Delka of Lincoln. The couple has two daughters, Jocelyn and Reese, and a son, Elijah.

David Harris and his wife, Kathy.

David Harris is entering his sixth season as the Huskers' distance and middle distance coach in 2017. He is also Nebraska's cross country head coach.

With Harris guiding the Huskers, 35 NU top-10 times have been achieved in his five years at Nebraska, including school records in the women's indoor 3,000 meters (Ashley Miller in 2012) and the women's distance medley relay (2012). Last season, three Huskers cracked the all-time top-10 charts in distance races: Austin Post in the outdoor 10,000 meters (No. 8), Patrick Letz in the outdoor 10,000 meters (No. 9) and Katrina Santiago in the 3,000m steeplechase (No. 8).

Additionally, Harris' athletes have won four Big Ten individual titles since 2012, and the 2012 distance medley relay squad earned first-team All-America honors with a seventh-place finish at the NCAA Indoor Championships. Miller, who was part of that DMR squad, was also a second-team All-American in the outdoor 1,500 meters.

Harris helped guide Anna Peer to a breakout season as a sophomore in 2015, as she ran a personal-best 34:10.58 in the 10,000 meters to win the Mt. SAC Relays and move to No. 3 all-time in NU outdoor history. Peer also cracked the all-time outdoor top 10 in the 3,000 meters, winning the Musco Twilight title in 9:40.18. She also moved to No. 10 in the 5,000 meters with a time of 16:35.34 at the Pac-12 vs. Big Ten Invitational. Shawnice Williams closed out her Husker career with a runner-up finish in the 800 meters at the Big Ten Outdoor Championships and a third-place 600m finish at the indoor meet.

In 2014, the Husker men's DMR team posted a time of 9:32.85, the second-best oversized mark in school history. It came one season after the 2013 DMR squad set a school record for an oversized track with a time of 9:31.71 at the Alex Wilson Invitational, better than any DMR run in school history.

Harris also guided the Huskers to more success in 2013. He coached 800m specialist Shawnice Williams and 3,000m steeplechase specialist Jessica Furlan to honorable-mention All-America awards at the 2013 NCAA Outdoor Championships. Furlan posted a personal-best time of 9:58.52 in the event at the Mt. SAC Relays to cement her spot at No. 2 on the all-time list at Nebraska. Furlan also won the indoor 3,000 meters title at the Big Ten Indoor Championships. Williams finished second in the 600 meters at the 2013 Big Ten Indoor Championships. She advanced to the 2013 NCAA Championships with a personal-best time of 2:05.26 in the 800 meters at the preliminary round in Austin, Texas.

In 2012, Harris coached the women's indoor distance medley relay team to a seventh-place finish at the NCAA Indoor Championships in Boise, Idaho, posting a record time of 11:09.83 for first-team All-America honors. Harris also guided Ashley Miller to a stellar senior season, as she earned second-team All-America honors in the 1,500 meters at the 2012 NCAA Outdoor Championship and finished with a personal-best time in the event. Miller also earned three conference titles in 2012, finishing first in the outdoor 800 meters, the outdoor 1,500 meters and the indoor 3,000 meters. She also etched her name into the Husker record books with her time of 9:17.28 in the indoor 3,000 meters, a school record. In addition, she won the 1,500 meters and broke the meet record at the Drake Relays in 2012. Later in the summer of 2012, Miller represented Nebraska at the 2012 U.S. Olympic Trials in Eugene, Oregon, where she competed in the semifinals in the 800 meters and 1,500 meters.

Harris has strong ties to Nebraska, as he coached NU's middle distance runners and the men's sprinters and hurdlers for seven years before becoming the head cross country and track and field coach at Emporia State in 1992. In his first stint at Nebraska, Harris coached many student-athletes to records that still stand including the women's outdoor 800 meters (Sharon Powell), the men's outdoor 400 meters (Ken Waller), the 1,000 meters (Dieudonne Kwizera), the 400m hurdles (Mark Jackson) and the men's 4x400-meter relay.

As the Hornets' head coach for 19 years, Harris was named MIAA Coach of the Year 11 times and brought Emporia State to the top of the Division II ranks, as the men's squad finished fourth at the NCAA Outdoor Championships in 2011. Emporia State won 10 MIAA team championships under Harris and had 20 runner-up finishes. In 1999 he became only the third coach to lead both the men's and women's teams to MIAA outdoor titles in the same season. The ESU women earned the school's first top-four finish nationally with a fourth-place finish at the NCAA Outdoor Championships in Emporia in 1999. It was the second of three national championship meets at Witten Track/Welch Stadium held under Harris' leadership.

One of the most respected coaches in the track and field community, Harris was the first non-Division I president in the history of the USTFCCCA. The leadership and direction of Harris was essential in bringing the NCAA Outdoor Championships to the Flint Hills in 1995, 1999 and again in 2006. Harris has served in numerous leadership roles within the USTFCCCA and has earned two prestigious awards. He was named the 2001 USTCA Women's NCAA Division II National Outdoor Coach of the Year and was most recently awarded the Jimmy Carnes Distinguished Service Award by the USTFCCCA. He is the former Division II Executive Council Chairman and was the first non-Division I President of the USTFCCCA, serving in that role from 2005-06 and leading the association through its reorganization in 2005.

Harris received his bachelor's degree in physical education/social science and a master's degree in athletic administration from Truman State, formerly Northeast Missouri State University. At TSU, he was a four-year letterman in cross country and track and field and captained the track team for two years. After college, Harris joined the elite section of the St. Louis Track Club sponsored by adidas. From 1979 to 1981 he ran seven marathons with a personal-best of 2:19.54 in New Orleans. At the 1979 Boston Marathon, he qualified for the 1980 U.S. Olympic Trials with a time of 2:20.46. Harris retired from competitive road racing in 1981 to concentrate fully on coaching.

Harris is married to the former Kathy Bechhold, and the couple have two sons, John-David and Jared.

David Harris took over the Huskers' distance program in 2012.

Scott Cappos enters his third year as Nebraska's throws coach in 2017. Cappos joined the Husker staff as the team's throws coach in the fall of 2014 and has had more than 100 athletes qualify for the NCAA Championships (preliminary round and finals) in his 20-plus years of collegiate coaching. He has coached more than 50 athletes to conference championships and All-America honors in the shot put, discus, javelin, hammer, weight throw, long jump, high jump, heptathlon and decathlon.

In 2016, Cappos coached sophomore Nick Percy to the NCAA discus title in addition to the Big Ten title. Percy threw a Scottish record 207-11 (63.68m) to move to No. 3 in NU outdoor history. He also set a hammer throw school record of 222-7 (67.85m). Cappos also helped Brittni Wolczyk and Sarah Firestone to second-team All-America honors in the javelin, while the freshman Wolczyk was the Big Ten runner-up. Wolczyk broke the Canadian Junior national record with a throw of 176-1 (53.67m) and represented Canada at the IAAF U20 Championships in Poland. Firestone placed seventh at the U.S. Olympic Trials and represented Team USA at the NACAC U23 Championships in El Salvador.

Cappos made his mark on the program in his first year with the Huskers in 2015. He guided Firestone to the Big Ten Outdoor javelin title with a school-record throw of 184-3 (56.15m). He also led Will Lohman and Percy to second-team All-America honors in the hammer throw and discus, respectively. Firestone also qualified for nationals in the javelin, as did Lohman in the shot put. Lohman broke his then-hammer throw school record twice in the outdoor season. Meanwhile, Percy, a native of Ventnor, England, was named the UK's top freshman athlete competing in the NCAA in 2015.

Before coming to Nebraska, Cappos spent 18 seasons at the University of Iowa as an assistant coach and director of field events. While at Iowa, his athletes tied or broke Big Ten records in the hammer throw, javelin and long jump. The 2011 Iowa men's team won the Big Ten Championship with heavy contributions from athletes Cappos recruited and coached. His athletes qualified for the NCAA Championships 15 years in a row and were named All-Big Ten 18 years in a row by either winning or placing second at the Big Ten Championships. Cappos has coached more men to 60-foot throws in the shot put and 190-foot throws in the discus than any other coach in Big Ten history. His athletes rewrote the records at Iowa, including eight of the top-10 all-time shot-putters, nine of the top-10 all-time discus throwers and all 10 of the top javelin, hammer and weight throwers in Hawkeye history.

Before coaching at Iowa, Cappos was an assistant coach at Western Michigan University. He trained seven All-Americans during his tenure, and Western Michigan won the MAC and CCC team titles both seasons. Cappos started his coaching career at West Salem High School in Wisconsin.

Cappos is one of a handful of USATF Level III certified coaches in the throwing events and is a USATF Level II certified coach in the jumps and a certified instructor for USATF. Cappos coached with Team USA at the 2011 Pan American Junior Championships, leading athletes to 10 gold medals. Cappos also earned Regional Throws Coach of Year from USTFCCCA in 2007.

Several of Cappos' former athletes have represented their countries in various international competitions, including the Olympic Games and World Championships.

Cappos was a professional track and field athlete while teaching and coaching. Shawn Eichorst was recruited and hired by the University of Nebraska in 2012 and quickly displayed an incredible passion for the University and for its student-athletes as well as the State of Nebraska. As the leader of a tradition-rich athletic program with 24 intercollegiate teams, 600-plus student-athletes and more than 325 full-time employees, Eichorst has relied on a strong value system and a student-centered approach to lead the department. Nebraska's primary mission is to provide student-athletes with the resources and support they need to be successful in academics, athletics and life. The health, safety and welfare of student-athletes are priority one and the essence of every decision made at Nebraska. Since Eichorst arrived in Lincoln, resources and services in every student-athlete support unit have been reviewed, improved and enhanced, including academics, athletic medicine, life skills, nutrition, sports psychology, strength and conditioning and performance/research [Nebraska Athletic Performance Laboratory (NAPL) and the Center for Brain, Biology and Behavior (CB3)].

Eichorst has continued to move Nebraska forward aggressively with several new initiatives to enhance the student-athlete experience. Beginning in the summer of 2015, Nebraska became the first athletic department in the country to offer laptop computers to every student-athlete and created a data analytics department. Husker student-athletes in all sports now receive four-year, full cost of attendance-based scholarships. Nebraska was also the first-known department of athletics to create a post-eligibility opportunity (PEO) program, where every Husker letterwinner who graduates and has exhausted his or her eligibility has an opportunity to pursue either an internship, study abroad or graduate school program valued at $7,500. Nebraska was also one of the first institutions to create a spring service abroad trip, taking a team of student-athletes and staff to Guatemala in 2015 and to the Dominican Republic in 2016.

Eichorst is in high demand and has made more than 500 public appearances around the state and country and his monthly radio show and "Connecting on Campus" online column provide opportunities to connect and share the incredible activities, initiatives and accomplishments happening at the greater University and in the department. As a member of the Chancellor's Senior Administrative Team, Eichorst maintains a strong connection and collaboration between the University and athletics.

A highly respected national leader, Eichorst was appointed in 2015 to the Division I Football Oversight Committee. Most recently, Eichorst was named co-chair of the NCAA Division I Football Recruiting ad hoc working group. He also serves on the Big Ten Conference Program and Budget Review Committee. Eichorst was the first Director of Athletics from any conference to visit the Big Ten Conference-based Academic Alliance (formerly known as the Committee on Institutional Cooperation) at its Champaign, Ill., headquarters. The Big Ten Academic Alliance is a highly successful academic-based consortium of 15 schools, including all 14 in the Big Ten Conference. Nebraska is leading the Big Ten and the Big Ten Academic Alliance in several areas, including Digital Humanities and head injury research.

Under Eichorst, Nebraska extended its nation-leading total of CoSIDA Academic All-Americans to 325 and its nation-leading total of NCAA Top Ten Award winners to 17. More than 700 awards were presented at the 26th Annual Student-Athlete Awards Show—A Night at the Lied. In 2015-16, 109 student-athletes earned undergraduate or graduate degrees and the Big Ten Conference honored 209 Husker student-athletes with Academic All-Big Ten awards. For the first time in school history, all Nebraska teams had an NCAA Academic Progress Rate (APR) of 960 or higher and the overall Graduation Success Rate (GSR) of 86 percent is the highest in program history. In addition, seven Husker teams (women's basketball, golf, gymnastics, softball, tennis and volleyball and men's tennis) had a GSR of 100 percent as reported in the fall of 2015.

During Eichorst's tenure, Nebraska has won three NCAA team Championships, increasing its total to 27. In 2012-13 and in 2014-15, the Nebraska women's bowling team earned the program's fourth and fifth NCAA titles, while the Husker volleyball team won the 2015 NCAA Championship, the program's fourth national title.

In 2016, the Husker men's track and field team swept the Big Ten Indoor and Outdoor Championships and 14 Nebraska teams competed in NCAA postseason action, including bowling, football, volleyball, women's swimming and diving, wrestling, softball, baseball, men's and women's gymnastics, rifle, and men's and women's indoor and outdoor track and field. In 2015-16, Nebraska produced 41 All-Americans who won 49 national awards, including 21 first-team honorees.

In 2013-14, Nebraska became one of only two NCAA institutions – and the first Big Ten program in history – to qualify for a football bowl game, and advance to NCAA postseason in the major team sports of volleyball, soccer, men's and women's basketball, baseball and softball. Additionally, Nebraska was the only institution to win a postseason game in six of those seven sports.

Nebraska's fan support continues to be unparalleled in college athletics. In 2015-16, top 15 national rankings for average attendance were reached across 10 sports—football, volleyball, men's and women's basketball, wrestling, soccer, softball, baseball and men's and women's gymnastics. Nebraska is the only school in the country to rank among the top 15 nationally in both football and men's basketball attendance and in volleyball and women's basketball. A tribute to loyal Husker fans, two sports lead the nation with consecutive home sellout streaks. Football has 347 consecutive sellouts and volleyball has 204 consecutive regular-season sellouts.

Under Eichorst's leadership, Nebraska continues to focus on improving its facilities and the game-day experience at all athletic venues. In August of 2015, Hibner Stadium and Barbara Hibner Field for soccer and the Sid and Hazel Dillon Tennis Center were completed. A new center-hung video board and sound system was installed in the Devaney Center in 2015 to improve the game-day experience for volleyball, wrestling and men's and women's gymnastics. In 2014, the largest wireless network system at a college football stadium in history was installed in Memorial Stadium, along with a state-of-the-art sound system. In the summer of 2013, Memorial Stadium expansion added the innovative NAPL inside East Stadium next to the Center for Brain, Biology and Behavior (CB3). That same year, Nebraska's men's and women's basketball teams became the primary tenants at Pinnacle Bank Arena, and the renovated Devaney Center became the home for Husker volleyball, wrestling and the men's and women's gymnastics programs.

Eichorst came to Nebraska after serving as Director of Athletics at Miami in 2011 and 2012. He hired legendary men's basketball coach Jim Larrañaga, who led Miami to the NIT Second Round in his first season and ACC regular-season and tournament titles as well and the NCAA Sweet 16 in his second. The women's basketball program posted its highest national ranking in school history (No. 5) and advanced to the Second Round of the NCAA Tournament. The Miami women's tennis team advanced to the NCAA Elite Eight for the fourth straight season, and the baseball team made its 40th consecutive NCAA appearance. The Hurricane women's soccer team posted its first NCAA Tournament win in school history, and the volleyball team made its third straight NCAA Tournament trip.

Before heading to Miami, Eichorst was the Deputy Athletics Director at Wisconsin. He was the Chief Operating Officer and oversaw the department's daily operations, as well as the men's basketball program under the direction of Director of Athletics and former Husker Barry Alvarez.

From 2004 to 2006, Eichorst served as the Senior Associate Athletics Director for Administration at South Carolina, overseeing the department's daily operations, as well as the football and baseball programs under legendary coaches Lou Holtz, Steve Spurrier and Ray Tanner, respectively.

From 1999 to 2003, Eichorst served as the Director of Athletics at Wisconsin-Whitewater, which produced four top 10-percent finishes in the NACDA Directors Cup, one NCAA team title and two NCAA runner-up finishes. The program also featured 11 CoSIDA Academic All-America selections.

A native of Lone Rock, Wis., Eichorst was an all-conference defensive back, three-time letterwinner and 1990 football team captain for the University of Wisconsin-Whitewater. He graduated magna cum laude in business from UW-Whitewater in 1990 and in 2015 was awarded the Distinguished Alumni Award for Professional Achievement. He earned a law degree from Marquette Law School in 1995, practiced law in Milwaukee until 1999 and is a past member of the State Bar of Wisconsin Board of Governors. He served as an assistant adjunct professor of law at Marquette, where he taught classes in sports law. He serves on the Marquette University National Sports Law Institute Board of Advisors and in 2006, Marquette awarded Eichorst the Sports Law Alumnus of the Year Award. He is also a graduate of the Sports Management Institute and serves on its Executive Committee.

Shawn and his wife Kristin have three sons: Jack, Joseph and Bennett.

Hank M. Bounds, Ph.D.

University of Nebraska President
Southern Mississippi (1991)

On Jan. 12, 2015, the Board of Regents appointed lifelong educator Hank M. Bounds, Ph.D., as the seventh president of the University of Nebraska. Bounds began his tenure as president on April 13, 2015, bringing with him a demonstrated record of expanding opportunities for students, improving higher education outcomes and efficiencies, and building successful partnerships with policymakers, donors and business leaders.

Bounds grew up on a small farm in rural Mississippi, where his family raised hogs and cattle and he hauled hay. His service in the Army National Guard helped him pay for college, and he earned bachelor's and master's degrees from the University of Southern Mississippi and a doctorate from the University of Mississippi.

Bounds has devoted his 25-year career to helping change students' lives in the same way education opened doors in his own life. He began as a high school teacher, then rose to principal, superintendent and state superintendent before becoming Mississippi's commissioner of higher education in 2009. In that role, he oversaw a complex system of eight public universities including research universities, regional universities, an academic health science center, historically black institutions, a law center, a school of veterinary medicine and 200 institutes and centers. Together the system enrolled 85,000 students, employed 26,000 faculty and staff, and operated with a combined annual budget of $4.5 billion, including $500 million in research and development.

During every year of Bounds' tenure as commissioner, student enrollment and degrees awarded by the institutions in the Mississippi system increased, by a total of 13.3 percent and 11.4 percent, respectively. He advocated with legislative leadership for improved faculty compensation and providing greater opportunities for students. He also provided oversight for private fundraising in excess of $250 million per year.

Bounds worked with the Board of Trustees to implement a performance-based allocation model that distributed funds equitably and rewarded universities for operating efficiently and achieving attainment outcomes. He designed an efficiencies plan that saved more than $90 million, an internal audit function, and a comprehensive diversity initiative that led to increased diversity among Mississippi faculty, staff and students.

Bounds also worked with partners to increase educational attainment in Mississippi, including a Center for Education Innovation focused on improving learning opportunities for disadvantaged children. Bounds created an office to foster relationships among university researchers, business and industry, and economic developers. He was tapped by the business community to chair a major statewide initiative to create an action plan to improve Mississippi's competitive position.

Bounds brings this experience to the University of Nebraska, which he believes can serve as a catalyst for change and growth in the lives of students and people in the state and around the world. He is working to make the University of Nebraska a giant in higher education—for the benefit of the state, the country and the world.

Bounds holds faculty appointments in the College of Education and Human Sciences at the University of Nebraska-Lincoln and in the Colleges of Education at the University of Nebraska at Omaha and the University of Nebraska at Kearney. He and his wife, Susie, are the parents of a son, Will, and a daughter, Caroline. They reside in Lincoln, Nebraska.

*-CoSIDA Academic All-American of the Year

Levi Gipson was a three-time CoSIDA first-team Academic All-American. He is just the second Husker men's track and field athlete all-time with at least three first-team All-America honors, joining three-time honoree Björn Barrefors (below right).

Cody Rush was a first-team Academic All-American in 2016, his second career Academic All-America award.

John Welk (above left) was Nebraska track and field's first-ever CoSIDA Academic All-American of the Year in 2015. Björn Barrefors (above right) earned CoSIDA Academic All-America honors for the fourth straight year in 2013.

Men's Letterwinners

NOTE: Letterwinner lists are not available for 1892-97, 1903, 1905 and 1976. The year listed is for each letter won. For example, a listing of 1924-26 means that a letter was earned in both 1924 and 1926 but not in 1925. Corrections, with documentation, may be sent to the Nebraska Athletic Communications Office, One Memorial Stadium, P.O. Box 880123, Lincoln, NE, 68588-0123.

The Big Ten Conference

James E. Delany
Commissioner

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back 120 years to the Palmer House hotel in Chicago, where on Jan. 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On Feb. 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last two years. Big Ten schools compete in a total of 42 sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. It is the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of five men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971 and current commissioner James E. Delany in 1989.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Committee on Institutional Cooperation (CIC) in 1958. The CIC was formed as an academic consortium of all Big Ten universities and founding conference member Chicago. In 2013, the 15 schools currently constituting the CIC produced over $10 billion in funded research, $4 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Commissioner Delany announced the creation of the first conference-owned television network, a 20-year agreement with Fox Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,000 events across all platforms each year. BTN is in more than 60 million homes in the United States and Canada through the nation's major cable, satellite and telco providers and more than 300 additional cable operators across the country. BTN2Go is the digital extension of BTN, delivering live and on-demand programming to computers, smartphones and tablets and also is accessible outside the United States, Canada and the Caribbean via BTN2Go International.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten Conference on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on Nov. 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

In the fall of 2013, the Big Ten opened a new conference headquarters and meeting center in Rosemont, Ill. The newly constructed building is located 10 minutes from O'Hare Airport and has been designed to fully service the needs of more than 350 meetings annually for Big Ten and CIC-related committees and coaches groups. The new headquarters also features an interactive digital museum - the Big Ten Experience – which opened to the public on June 7, 2014, and brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to bigten.org.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Three Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Delany and his staff work to meet the educational needs of students competing in intercollegiate athletics to allow them to excel in all areas of their lives. The conference office manages 28 championships and tournaments, offers legislative and compliance services, oversees the production and distribution of nearly 1,400 events annually, provides staff services to coaching and administrative personnel and services media and fans interest for information on the Big Ten Conference.

More than 120 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

ED WEIR STADIUM

In the outdoor season, the Huskers run on a Mondo synthetic rubber surface at Ed Weir Stadium. The track is next to Memorial Stadium and the Hawks Championship Center, allowing for easy access to weight rooms, athletic medicine and indoor training facilities. The track recently underwent a $2.33 million renovation, including replacement of the entire track base and Mondo surface. In 2016, Ed Weir Stadium hosted the Big Ten Outdoor Championships.
